

HAPPY HOLIDAYS!

Last year (2022) was the first time (EVER!) we closed a city building so staff could be together for a staff appreciation luncheon. We all enjoyed the time together, so we will be doing it again on December 12th from 11:30am - 1:30pm City Hall will be closed, however a drop off table will be in the vestibule for those needing to drop off plans, etc.

The building will reopen to the public again at 1:30pm.

On December 13th we will be doing the same and closing Weyandt Hall (Also known as the Customer Service building) located at 5 E Reed St from 11:30am-1:30pm.

The building will reopen again to the public at 1:30pm.

Thank you for your understanding and support.

From all of us...to all of you

Happy Holidays!
