

ELECTRIC DEPARTMENT

doverelectric@dover.de.us

Effective March 23, 2020

To schedule any actions for site inspections, disconnects, reconnects, waivers, etc. please call 736-7072 or 736-7070 and leave a message. Due to limited staff in the office these message will be checked remotely.

Administrative staff will be in the office on Monday, Wednesday & Friday at 0830 for a limited time to coordinate these actions. Please schedule 24 hours in advance as before.

If you need to speak to someone outside of this time frame please call 736-7086 and press option 3 when prompted, this number is manned 24 hours a day. The System Operator on duty will take your information and try to assist you in your request.
