

Course Offerings

The “**Prepare for the GED Test**” course offers tutorials, practice exams, and eBooks to help students prepare for the GED as well as specific GED subjects. The tutorials include interactive lessons and practice exercises, which review all the key concepts you need to know and also test your knowledge along the way. The practice exams are available in a *timed simulation mode*, a *practice mode* that explains your incorrect answers, or a *learner mode* that provides explanations while you answer exam questions. Instructive eBooks are available for various GED subjects.

The “**Build Your Basic Skills**” course offers different levels of skill-building lessons for reading, writing, math, grammar, and vocabulary skills. The skills lessons are offered in three levels: basic, intermediate, and advanced.

The “**GED en Español**” course offers tutorials, practice exams, and eBooks to help students prepare for the GED and specific GED subjects.

Este tutorial es una excelente introducción al examen GED®. Aprenderás sobre las cuatro pruebas por asignaturas, practicarás los diferentes tipos de preguntas y mucho más.

The “**Prepare for the TASC Test**” course offers tutorials and practice exams to help students prepare for the TASC (Test Assessing Secondary Completion) and specific TASC subjects such as language arts, math, social studies, and science.

The “**Prepare for the HiSET Test**” course offers tutorials and practice exams to help students prepare for the HiSET (High School Equivalency Test) and specific HiSET subjects such as language arts, math, social studies, and science.

[Rev. Aug 2015]

Tutorials with lessons and practice exercises, practice tests, and eBooks are offered to help prepare students for exams such as the **GED**, **TASC**, **HiSET**, and the **GED en Español**.

What You'll Need to Get Started

- A computer with Internet access
- An active email account in order to register with Learning Express
- A Library Card number and 4-digit PIN

Accessing Learning Express

Go to the Delaware Library Catalog (dlc).

<http://dlc.lib.de.us/>

In the top left corner of the Delaware Library Catalog is a box titled "Featured Programs/Services." Click on the "eMagazines and Databases" link.

Scroll down the resulting page until you see the "eMagazines and More" section. Click on the link to "Learning Express."

eMagazines & More

Learning Express

Practice tests, exercises, skill-building courses

Registering with Learning Express

You will be prompted to enter your 14-digit library card number and your 4-digit PIN. If forgotten, your PIN can only be requested in person at the library.

Once you arrive at the Learning Express homepage, make sure to log-in or register an account.

The "login" and "register" links are in the top right corner of the homepage. You will need an email account in order to register an account.

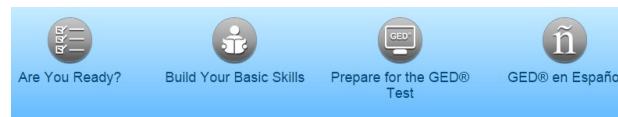

TIP: write down the email account and password you used, so that you can access your saved progress with Learning Express.

Selecting your Learning Course

Scroll through the different learning options and click on "High School Equivalency Center."

After clicking the "High School Equivalency Center" link, you must scroll through the different class options and select the test prep you want.

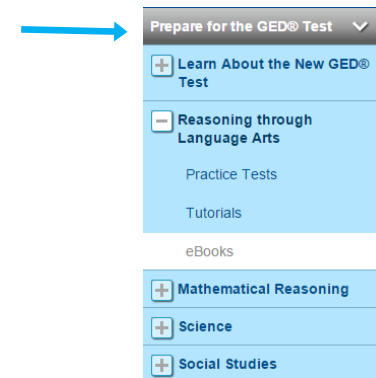

Navigating the Courses

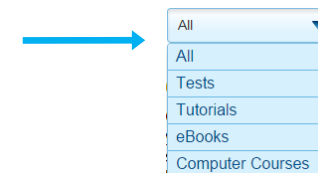

Select a course, such as "Prepare for the GED Test."

After selecting a course, you will be able to view and select more specific course topics. Look at the specific course topics in the top left corner of the screen.

Each specific course topic offers instructional resources such as tests, tutorials, eBooks, and computer courses. Click on the dropdown bar to see the instructional resources offered.

View the different instructional resources and select the "Launch" link. TIP: If the videos do not launch, check your browser settings to ensure that pop-ups are allowed from this site.
