

Bicycle and Pedestrian Plan

Your input is important!!

This is an opportunity to assist the Dover Kent County MPO and City of Dover in updating their Bicycle and Pedestrian Plan. A public workshop was held on Oct. 21 and we know many of you could not attend, however your input is still important to us. Please take a few minutes to review the information and submit your comments.

Do you know of any areas that have gaps in the bicycle or pedestrian networks? Do you have ideas to improve on biking and walking within Dover? Do you see areas of problems for drivers, bicyclists and/or pedestrians?

Please complete the comment form and return via email to ccourtney@dover.de.us.

If you have any questions on the materials, please call or email Carolyn Courtney at 302-736-7050.
