

****Emergency Notice****

City of Dover Playgrounds are CLOSED

This notice applies to ALL PLAYGROUND locations maintained by the City of Dover: Silver Lake Playground, Dover Park Playground, Schutte Park Playground, New/Dover Streets Playground, Mallard Pond Playground, Millcreek Playground, Division/Kirkwood Streets Playground, Mary Street Playground, Williams Park Playground, Bicentennial Playground, Hamlet Park Playground.

The COVID-19 virus has been shown to remain viable for up to 2 – 3 days on plastic and steel surfaces. With this information our playground locations have been closed until further notice.

Our parks and trails are open.

We ask that you continue to practice social distancing, avoid gathering in groups, and encourage frequent handwashing.

In an effort to prevent the further spread of the Coronavirus (COVID-19) and to ensure the health and well being of our staff and members of our community, all city facilities have been closed to the public. Our staff is still here to help you. All provisions to our services and operations can be found under Local Government Operations. Our contingency plans are in effect to continue to serve you, and we will update you regularly of any changes through the website.

Stay Home and Stay Safe!

Take comfort in knowing we will be ready to go with our recreational programs once the CDC warnings have lifted. The City of Dover Parks & Recreation will be here for you!

PLAYGROUND CLOSED UNTIL FURTHER NOTICE

The COVID-19 virus has been shown to remain viable for up to 2 – 3 days on plastic and steel surfaces. With this information our playground locations have been closed until further notice

Our public parks and trails remain open.

Please maintain social distancing, avoid gathering in groups and practice frequent hand washing at all times.

The City's priority is protecting the health and safety of our residents and continuing to serve you.
