# Mayor's Kayak & Canoe Regatta Silver Lake

300 Washington Street, Dover

## Mayor's 3rd

## Kayak & Canoe Regatta

Mayor Robin R. Christiansen invites you to come out and enjoy Silver Lake as part of the Dover's 300<sup>th</sup> Celebration. This crown jewel for the City of Dover is one we must put on the list to be celebrated.

Those with canoes, kayaks, paddle boards, inflatables, sail boats, row & peddle boats are encouraged to participate. We will have certificates and a small prize for the first 50 people. Bring your boats & paddles, and life jackets to join in a floating parade to the Silver Lake Bridge area and then back. Silver Lake is a jewel for the City of Dover, there's not a better way to experience it than being right on it!

If your non-motorized craft does not have a lake license, no worries, as all participants will have the lake licensing fee waived for the event. Everyone participating will receive a certificate signed by the Mayor. We plan to launch vessels from the Washington Street entrance beach area at 10 AM, paddle to the Silver Lake Bridge (State Street) and back. There is plenty of free parking available.

Don't have a canoe or kayak? Don't let that stop you, as we we have a kayaks and canoes available for for you join in! This is a family friendly activity hosted by Mayor Christiansen, the Silver Lake Commission and the Parks & Recreation Department.
