Public Workshop

Bradford Street Streetscape Enhancements

**Dover Public Library
35 Lookerman Plaza
Dover, DE 19901**

**Monday, June 24, 2019
5:00 p.m. to 7:00 p.m.**

The Delaware Department of Transportation (DelDOT), in conjunction with the City of Dover, invites the public to attend a public workshop to receive information about proposed pedestrian improvements on Bradford Street between Lookerman Street and Division Street. The project aims to improve pedestrian facilities by reconstructing curb ramps and sidewalks along both sides of Bradford Street. In addition, decorative pedestrian-scale lighting is proposed between Reed Street and Division Street. This workshop will also provide information on the overall project and schedule.

The purpose of the presentation is to provide an opportunity for the public to review and discuss the plan for the proposed improvements and provide input during the design process. Attendees will have an opportunity to review display materials and provide comments to DelDOT representatives.

Interested persons are invited to express their views in writing, giving reasons for support of or in opposition to the proposed project. Comments will be received during the workshop or can be mailed to DelDOT Community Relations, ATTN: Jeff Niezgoda, Assistant Director Planning, P.O. Box 778, Dover, DE 19903 or sent via email to dotpr@delaware.gov.

This location is accessible to persons having disabilities. Any person having special needs or requiring special aid, such as an interpreter, is requested to contact DelDOT by phone at (302) 760-2080 or mail to the above address one week in advance.

For further information contact DelDOT Community Relations at 1-800-652-5600 or 302-760-2080 (in DE), write to the above address or visit www.deldot.gov.
