CROSS CONNECTION CONTROL PROGRAM WAIVER APPLICATION – LOCATION OF BACKFLOW PREVENTION ASSEMBLY

PROPERTY OWNER NAME: _____

PROPERTY OWNER ADDRESS: _____

PROPERTY OWNER PHONE NUMBER: _____

PROPERTY OWNER EMAIL ADDRESS: _____

ADDRESS OF PROPERTY REQUIRING BACKFLOW PREVENTION: _____

WAIVER REQUEST JUSTIFICATION:
(Please provide the addresses and/or suite numbers the backflow prevention assembly will be installed for.)

The backflow prevention assembly installed upstream of the water meters may require replacement if it is determined that the hazard designation for one (1) or more of the tenants has changed.

In the event that the backflow prevention assembly is removed upstream of the water meters, the Property Owner or their designee will be required to install the appropriate backflow prevention assembly downstream of each individual tenant meter.

Property Owner initials for acknowledgment of above statement

The Cross Connection Control Program can be found at the following website:
<https://www.cityofdover.com/CrossConnectionControlProgram>
